

SPRING CLEANING CHECKLIST

MOLLY MAID™

a neighborly company

Tips

Start with the All Rooms task list first

Finish an entire room before moving on to the next

Clean your home top to bottom and left to right

All Rooms

- Dust ceiling fans and light fixtures
- Clean windowsills and window tracts
- Vacuum curtains and window blinds
- Wipe down shoe molding and dust room corners for cobwebs
- Test batteries in all your smoke detectors
- Disinfect door knobs, cabinet handles and light switches

Bathrooms

- Organize cabinets and drawers
- Properly dispose of old medicine and toiletries
- Scrub the shower and bathtub
- Wash shower curtain and floormat
- Scrub the toilet and tile around it

Living Room

- Remove furniture cushions and vacuum crevasses

Kitchen

- Wipe down microwave, coffeemaker and other small appliances
- Empty the crumb tray in your toaster and / or toaster oven
- Empty refrigerator and defrost freezer
- Clean your oven and scrub the stovetop / range
- Clear out cabinets and wash shelves
- Sanitize the sink and clean the inner rim of your sink guard
- Clean refrigerator shelves
- Clean behind and beneath refrigerator

Bedrooms

- Organize drawers and closets
- Wash bedding and pillows
- Rotate mattress
- Disinfect kids' toys

Laundry Room

- Clean behind washer and dryer
- Thoroughly clean lint trap in dryer and washer

Home Office

- Clean keyboard with canned air
- Disinfect computer mouse and phone

Outdoors

- Remove everything from your garage and reorganize
- Pressure wash your deck and outdoor furniture
- Hose-out your garbage can and recycling bins
- Remove screens and wash with a soapy sponge and water
- Wash the outside of your windows before replacing your window screens
